

nathan mennenoh

Nathan Mennenoh is a graphic designer and artist with a passion for logo design and packaging. While his workflow may seem messy to some, he works quickly and efficiently, without sacrificing the end product. Solo or with a larger team, Nathan will find himself right at home, just don't let his dry humor get to you. If he's not glued to his computer at work, he's probably glued to his computer at home.

PROFESSIONAL EXPERIENCE

Wantable Cafe, Milwaukee, WI

Barista/Bartender (June 2022-Now)

- Crafting coffee and drinks for all Cafe customers, cleaning cafe space and training new employees throughout my employment.
- **Longest standing employee** as of now (Oct. 2023).
- Given high praise by management for my friendliness with customers and training of new employees

Target Fulfillment Center, Oconomowoc, WI

Associate (June 2021 - August 2021)

- Worked to split items from incoming packages from suppliers into smaller groups to put out to individual Target Locations across the state.
- Summer Job to help cover college expenses as much as possible during the few months off from classes.

Marcus Majestic Cinema of Brookfield, Waukesha, WI

Server (September 2019 - February 2020)

- Handle customer orders in the Bistro theaters and provide the best customer service possible throughout a customer's visit. Scope of responsibilities includes: greeting customers, taking orders, delivering orders in a timely fashion, and handling customer payments.
- Promoted from Busser to Server **within 3 weeks** of being hired.
- Successfully **handled sold out shows** without a single customer waiting longer than the allowed time - no customer pager timer made it into "the red zone" throughout the entire show.

Noodles and Company, Waukesha, WI

Restaurant Team Member (September 2018 - October 2019)

- Pivoted between positions throughout the store from handling customers at the POS, to cooking and even assisting with the dishes in times of need.
- **Voted employee of the month** for hard work and speed in the workplace.
- Congratulated by management for **hard work and dedication** to my work.

EDUCATION

University of Wisconsin - Milwaukee

Digital and Visual Communications Studies (2020-2022)

Milwaukee Area Technical College

(In Progress) Associate's Degree in Graphic Design
